This summer, think. And think CM.

Whether you need to complete credit for a failed course or want to focus your efforts in a particular subject, Catholic Memorial School in West Roxbury offers courses to meet your needs. Students currently in grades 8-12 can choose from classes in math (algebra and geometry), English, theology, history (US and world), the sciences (physical science, chemistry, and biology), Spanish, French, Latin, and Italian. College-bound students may also elect to enroll in the school's essay writing program. All courses, sessions, and costs are subject to change depending on enrollment.

CM Summer School runs for three weeks, from 6 -28 July 2011. Classes meet daily and students can enroll in up to two classes. The first class runs from 7:45am to 9:45am; the second class runs from 10:00am to noon. Each session is taught by a certified teaching professional and meets relevant Massachusetts Dept. of Education guidelines. The cost for each class, including texts and registration fees, is \$450.

For students who enroll in courses for enrichment or for essay writing, the cost is reduced to \$350. While students are expected to participate in class and stay current with all assignments, grades are not recorded and transcripts are not sent to the student's school.

For students considering NCAA eligibility for Division 1 or 2 athletics, there is a benefit to taking summer school classes beyond enrichment. Grades earned during summer school can be included in establishing a core curriculum grade point average.

Registration takes place on-site at Catholic Memorial (235 Baker Street in West Roxbury). Full payment is expected at that time. Please inquire about payment options. Sessions are subject to change and are dependent on enrollment.
